DEPARTMENT HEAD REPORTS:

Fire Chief Meyer gave us information on the crack down on novelty lighters. A lot of the states have already passed a ban on these lighters. The State Fire Marshall requested that local fire departments do a spot check of local establishments that may be selling them. The product looks like a toy and is attractive to a child who may accidently start a fire playing with it. The lighter is made in China and could look like a small gun, cars etc. They did find some of them being sold at a local establishment. A warning was given and they are to remove the lighters. If they are found to continue to sell these lighters they could be fined \$500.

Deputy Chief Figueroa reported that during the month of May changes were made on how the auxiliary police are utilized. Ordinarily they were to go from park to park and patrol and spend 20 minutes of every hour at Haley Park. The changes now orchestrated see the auxiliary force has a permanent officer stationed at Haley Park from 5:00 p.m. to 9:00 p.m.

Monday through Friday. On Saturday and Sunday the time is 3:00 p.m. to 9:00 p.m. If available, they will back up our full-time officers. The Haley Park officers interact with the people visiting the park. Other duties performed by the Haley officers were to keep a record of the parking on Grove Avenue every hour that they were there. They ran the plates and

found that the eight to twelve vehicles found parking on Grove were actually Grove Avenue residents. It was therefore determined that there was never a parking problem on Grove.

A report was given on a May 18, event that involved a Cicero vehicle involved in a carjacking. This unbelievable event was described in detail. The offender was apprehended. Our department had minimal involvement in the course of events. In spite of that, one of our officers was slightly injured.

On May 24 & 25 with the assistance of the Stickney Police Association, a Pizza Party was held for the Safety Patrol at Edison and Home School. One boy's dedication was singled out because he took his responsibility seriously even though his friends were playing basketball only a few feet away. Chief Kretch thanked each group for their dedication and service to the responsibility of their assignment. President O'Reilly attended the event and awarded each student a coupon for free ice cream.

On May 31 and June 1 the Police and Fire Departments were invited to participate in the field day activities at Edison School. One of the student activities was to throw dodge balls at the police and fire department personnel that participated.

Deputy Chief Figueroa informed us of a presentation that will be given on June 14, 2011 by the Morton College Massage Therapy Program. It will take place in the Village Hall Board room 10:00 a.m. to 12:00 p.m.

Public Works Supervisor Joe Lopez provided information about a possible report of the Emerald Ash beetle. After having the tree inspected by our tree expert, it was found to be invaded by a bulls head beetle. The tree was removed. A report was given by Jason Bruscato on the Consumer Confidence Report on the public water supply. The report will be in the mail to the residents by the end of this month.

Treasurer Kurt Kasnicka updated us on the vehicle sticker sale currently going on. Extended Village Hall hours and days were given in detail.

There being no further business, Trustee Zeedyk moved, duly seconded by Trustee Walik that the meeting be adjourned. Upon which, said Board of Trustees adopted the motion at 7:37 p.m. and President O'Reilly declared the motion carried and the meeting adjourned.

Respectfully submitted,
