**MAYOR'S REPORT:** Mayor Walik thanked everyone for coming out today. He thanked each and every volunteer and supporters at our Family Day. It was amazing. The weather was beautiful. The fireworks were sponsored entirely by Kopper's Chemicals, Hawthorne Race Course, Del Galdo Law Group and Ante Deb's Video and Slots on Gunderson. An update was given on the front stairs at the Police Entrance.

They did the curb today. Tomorrow they will start forming and get ready to pour the sidewalk. By next week they start pouring the stairs. By midmonth they will be done with that. The only thing left will be the railings which have to be custom made. A comment was made about the Harlem Avenue construction. Deputy Police Chief Jaczak informed us that the 46<sup>th</sup>/47<sup>th</sup> and Harlem interchange will be shut down today for an hour at 7:00 p.m. to work on some power lines. In addition, the Mayor sent out 75 letters to apartment buildings and businesses to help out with the rat problem by asking them to put out traps by their properties. He asked that they help with the overflowing garbage. Our blight inspector, Ed Bartunek and Central Stickney are looking at the vacant buildings in town and putting out traps there.

**TRUSTEE REPORTS:**

Trustee Savopoulos reported on the 50/50 sidewalk program. We have approximately 180 squares. The deadline is September 22 to make payment on any squares that you need repaired. Beth Lukas is going to send out the letters informing people of the amount that they owe. Village Supervisor Joe Lopez will mark off the squares that will be replaced. Hopefully we will start the project in October.

Trustee Milenkovic informed us that the Tree Board held it's meeting on August 30 to review the tree lottery program. They are looking at the end of October or early November for planting. They have to coordinate with the nursery. Then he wished the Mayor and all the other Grandparents out there a Happy Grandparent's Day on September 10.

Trustee Kapolnek thanked the Mayor for a wonderful Family Day. It turned out nice.

**DEPARTMENT REPORTS:** CLERKS report given by Deputy Clerk Paul Nosek: This email was sent to Mayor Walik. "I am writing this letter to recognize one of your public works employees. There are plenty of times when people complain when things go bad, but rarely want to acknowledge when something goes good. I sponsored a tattoo stand at the Stickney Family Day on Sunday, September 3, 2017. I used a table and chairs, water and electric which were supplied by the village. After the fest started I realized I needed another table and more chairs. Sam Alonzo from the Public Works Department was extremely helpful and very quick to set up another table and chairs for me. I was able to make a coloring station for the children at the fest that were waiting for tattoos. Sam Alonzo did not just help me and disappear. He was available throughout the event for more chairs, taking my tent and banner down and dumping garbage. It was a pleasure to participate in this very successful event and I will continue to do so in your future Village functions because of the pleasant experience I had. I'm sure you have many employees in the village that are just as hard working, but Same Alonzo did a great job in representing your public works department at the Stickney Family Day!! Thank you again, Debra Johnson, Ante Deb's

Treasurer's Report: Paul Nosek notified us that the audit will start in two weeks and hopefully it will be completed by the end of October.

Public Works Supervisor Joe Lopez: He thanked the mayor for Family Day. It was a long day. Street sweeping will continue. Leaf removal will start in the beginning of October.

Fire Chief Boyajian Commented that Family Day went well. The Stickney Fire Department was presented a plaque for participating in the 2017 Muscular Dystrophy solicitation. They raised \$6,000.

Police Chief Dan Babich acknowledged our four new officers are now fully trained, active and functional. During Family Day we are proud to announce that we did not have one incident and we had a great turnout. At this time the police department has purchased four new red-dot scopes for our rifles. They will allow any officers to pick up that rifle and use it proficiently if need be. In addition, our bicycle unit has been deployed so residents are able to talk with officers face-to-face.

Mayor Walik commented that he spoke to Police Chief Babich and was told that those four new officers are doing a wonderful job working on their own. All of them are doing well with the public, policing, and paperwork. He also spoke to the Fire Chief this morning and learned that he has eight applications for possible employment with the fire department. They will close up the application process by the end of the month and pick out a couple of good ones. They will be firefighter and paramedic trained. The next couple of batches are going to have all their certificates in. We are going to try to push the paramedic program as soon as we can. The Fire Chief Boyajian and Deputy Chief Andrea Acosta are doing an outstanding job with this paramedic system. In addition the Mayor thanked Ed Dabrowski for all his photos.

There being no further business, Trustee White moved, duly seconded by Trustee Savopoulos that the meeting be adjourned. Upon which the Board adopted the motion at 7:20 p.m.

Respectfully submitted,

**STICKNEY-FOREST VIEW LIONS CLUB**

**4126 S. CLINTON AVE.  
STICKNEY, IL 60402**

September 06,2017

Mr. Jeff Walik  
Village President  
Stickney, Il 60402

Dear Mr. Walik,

On Friday October 13th and Saturday October 14th, the Stickney Forest View Lions Club will solicit funds to help humanity. Our primary goal is to eliminate blindness from the world in our lifetime and to help the hearing impaired.

No matter the amount of the donation received, those giving will receive a packet of traditional flavored candy.

We ask that you give us the Village's permission to solicit funds throughout the Streets of the community. As you know, we will be "shaking our cans" and offering candy for a donation.

A copy of the liability insurance is attached.

Thank you in advance for your anticipated permission.

Sincerely,

Alan J. Brinker
