CLERK'S REPORT: Clerk McAdams announced that the newsletter should be in your mailboxes by June 3. Expect the newsletter to be larger than ever with a lot of information.

TRUSTEE REPORTS: Trustee Hrejsa is the trustee for Parks & Recreation along with Trustee Torres. They had a meeting on May 10, 2017. They will be in the Little League Parade on May 13. Music in the Park will start on June 7. Friends of the Library will be cooking. There will be three cruise nights. She hopes that Trustee Savopoulos will help out with his car club for the cruise nights. She mentioned that Parks & Recreation wants to bring back some activities that they had in the past. She asked for people to volunteer especially for activities in the fall.

Trustee Torres told us that she oversees Police, Homeland Security/Disasters and Blight. She explained that she is working to get our new blight inspector out there to do the inspections on the homes. Most of this information will be in our newsletter. She then took the time to thank our Mayor. He has put in over 80 hours this week. He is working hard to get everything in our village in order. It is a pleasure working with him to get these things started.

Trustee Kapolnek reported that the Municipal Water Reclamation District is having an open house this Saturday from 9:00 a.m. to 12:00 noon they are having tours. He then congratulated all the kids and the coaches for a job well done.

Trustee Milenkovic attended the Midway Noise Compatibility Commission meeting. Our airplane noise levels are down to 52.1 decibels. The threshold is 65 decibels for insulation remediation. There were no noise complaints from Stickney this quarter. The next meeting is July 22. He informed us that resident Mark Kusper attended this current meeting.

Mayor Walik asked that we notice that Trustee Savopoulos was not at this meeting because his father is not well and he was in the hospital with him.

Trustee White commented that these last two weeks have been like a honeymoon. We are getting used to each other. No divorces yet. He then commended the Mayor on all his appointments. Everyone is on the same page. It is refreshing. The Mayor is here every day and all day. He is accessible. If you have questions don't hesitate to call. We started on our new fiscal year 2017-2018. The department heads will be starting their worksheets. The budget has to be posted by July 1.

DEPARTMENT REPORTS:

Public Works Supervisor Joe Lopez informed us that construction on Harlem Avenue will begin on June 1. We are expecting a lot of traffic. Our garbage pickup and recycling will be pushed back a day. He asked that people move their cars for sweeping.

Treasurer Paul Nosek was introduced. He comes to us from Darien with 12-years of experience. We were told that we are transitioning over from the finance department from the gentlemen who had been here for a very long time. He thanked for the help he received from the department heads. He explained that we will rescind the contract with GW and Associates for the consulting. We will save \$4,000. Hopefully we will be a more transparent government. If anyone had questions on finances, they are free to call him.

Fire Chief Jeff Boyajian elaborated on the Metropolitan Water Reclamation District tour. They provide an important service at that plant.

Police Chief Dan Babich stated that he has been in law enforcement for 30 years and never caught a bank robber. Within one month it happened twice and it was done by female officers who captured these people. On May 9th the Stickney Police Department received a 911 call from the U.S. Bank at 4001 S. Harlem Avenue that they are being held up by a male white subject wearing a blue ball cap wearing carhart tan bibs. Officers Guzman and Sergeant Figueroa and Officer Pedro Garcia arrived at the bank as Officer Guzman observed a subject sitting in a red commercial van with a subject fitting that description. It was confirmed by Officer Guzman that this was the man we were looking for who robbed the bank. When the man saw the officers the subject began to exit his vehicle and run across Harlem Avenue but was stopped by traffic. Officer Guzman and Sergeant Figueroa gave chase and were able to grab the offender pulling him to the ground. They search him and found no weapon. He had a drill and probably told the woman it was a gun. The offender had \$7,500 in cash inside the van, which was stolen out of Chicago. The offender and situation was turned over to the FBI for prosecution. Nobody got hurt. It was due to the dedication of these officers. The fact that the bank called 911 and got us there quicker instead of calling the bank service.

There have been changes within the Stickney Police Department. Three of our police officers have resigned from the police department to take on new positions within other police departments and we wish them well in their endeavors.

Sergeant Gary Wiseman, who served the Stickney Police Department for 37 years, has retired and now has become the Chief of Police for Forest View. He will be greatly missed but within reach.

We have one new police officer, William Ramski Jr. graduating from the College of DuPage Police Academy June 23, 2017 and will then go through an extensive 10-week field training program with certified officers with the Stickney Police Department before being left on his own.

Two new SUV Police Vehicles, one is a Tahoe and the other an Explorer, will be coming in June and we will be working on better efficient lighting for these vehicles to protect officers on traffic stops. A majority of police officers are hit while making traffic stops. We are also making each of the vehicles unified inside and out the same for officer safety and consistency. Every year when we purchase a new vehicle, everything will be kept the same.

We lost three officers who moved on to other towns because they wanted to go to bigger locations. We wish them the best. The Village of Stickney will be hiring three new police officers in the month of June through a process call Lateral Hiring. This process saves the village revenue because we are hiring seasoned veteran police officers who have worked five to fifteen years and are already trained police officers certified through the Illinois Training Board. These officers will be put through a 6-week Field Training Program with our training officers and then they will be released to work as officers on the street. This way it is saving the village a lot of money in

training and a lot of money in sending them to the academy. If they really know the area, we have them up and running in two weeks. At this time we have been able to still provide adequate manpower for the Village of Stickney and the safety of our community and residents.

Starting June 1, 2017 the Stickney Police Department will be condensing and conducting a major inventory collected over the last fifty years in our evidence room. It is going to be computerized, reinvigorated, things that need to be destroyed will be gotten rid of. This will all done in the next few months so that we meet all state requirements, while safe guarding the integrity of all our evidence placed in our evidence rooms. We are going to try to condense it in one area.

He then told us that he is honored to be part of this board and a part of this community. He thanked us for allowing him to be here.

Finally, Mayor Walik recognized Gary Wisemen in the audience. Gary Wisemen had been his boss for half of his career. He wished him luck in Forest View.

There being no further business, Trustee White moved, duly seconded by Trustee Hrejsa that the meeting be adjourned. Upon which the Board adopted the motion at 7:40 p.m.

Respectfully submitted,

Audrey McAdams, Village Clerk
