**PRESIDENT REPORT:** At this time, President O'Reilly recognized Stickney resident and Stickney's Edison School Principal Janice Bernard PhD upon receiving her Doctorate of Education from Concordia University. A lengthy proclamation was read that elaborated on her 38 years working for Lyons School District 103. Portions of the proclamation included awards bestowed upon her such as Illinois Principal of the Year for Community Service in 2005-2006. Civic and service organization involvement was noted. It was obvious that Doctor Janice Bernard has given of herself to the Village of Stickney in her achievements and dedication. The Village will honor her by proclaiming June 22, 2012 as Janice Bernard PhD day in the Village of Stickney.

Dr. Bernard graciously spoke the following: "I am humbled to realize that the community that I serve and live, finds that I have done a job in working with our children, which is our community's greatest asset, which is our schools." She went on to say, "The phrase, it takes a whole village to educate a child, is certainly noteworthy for Stickney." "If it wasn't for the police and the fire department supporting us throughout years; we feel safe." "They've come to every program." "They have done things in a social way as well as an educational way." "Every time I pick up the phone to ask for assistance they are there right away." "I don't have to wait." She went on to say, "We are very fortunate to have a library that goes on so that our children, during the summer, will continue to read." "Most importantly, that we provide medical assistance through our Stickney Clinic for families who are in need." "I want to thank you very much for this great honor." "It is a privilege to live here and to work here."

"I want you to know that this only spurs on my efforts even more to continue to help the community, the school which I am the principal, and most importantly the children." Doctor Bernard continued, "At this time, I want to recognize superintendent, Doctor Warner, who has been so supportive during the five years it took me to get my doctorate." She went on, "I especially want to thank my biggest cheerleader, my mom." She thanked the village board members, the mayor and the village clerk for giving her this great honor.

**DEPARTMENT REPORTS:**

Fire Chief Larry Meyer reported that the Annual Muscular Dystrophy Association "Fill the Boot" campaign is approaching. Last year they collected \$10,800. This year their goal is \$12,000.

Deputy Police Chief Frank Figueroa introduced Sergeant Richard Jaczak who relayed information to us about Saturday, May 5, 2012 when we had a domestic incident that turned into a kidnapping. An adult was taken. Available detectives were called in immediately. Detectives searched various areas looking for him. Officer Collin Lochridge was studying GPS pings on cell phones. Using this technology they were able to apprehend the kidnapper. He is quite dependable. He is one of our field training officers. He is one of our evidence technicians. He is one of the most reliable officers we have, and he thinks I give him a hard time. Well it is going to be much worse because Officer Lochridge will be part of the Major Investigations Unit. He was then presented with his Detective's badge.

Public Works Supervisor Cody Mares wanted to take this time to thank President O'Reilly and the working members of the board for having the confidence in me to take on my new job, which is more than just a job. I am here 24/7. If anyone needs

anything make sure you call in. I will get the message. As you know, emergencies take priority. Thanks, once again.

Treasurer Kurt Kasnicka reminded us that the vehicle sticker applications have been mailed. Stickers are available for sale. Bring in your application. He suggested that people not wait to the end of the month. Extra hours will be available prior to the next board meeting in two weeks. Friday, June 29, until 6:00 and the final Saturday, June 30, from 9:00 to 12 noon. There is also a drop box. You can also mail it in with a self-addressed stamped envelope. Don't wait to the last minute. If you do buy a sticker, remember to put it on your car.

There being no further business, Trustee Walik moved, duly seconded by Trustee White that the meeting be adjourned. Upon which the Board adopted the motion at 7:29 p.m.

Respectfully submitted,

---
