CLERK'S REPORT: The clerk provided information concerning the American Housing Survey which is currently going on in Stickney at this time. It is sponsored by the Department of Housing and Urban Development (HUD) and conducted by the U.S. Census Bureau. It asks questions like the physical condition of the homes and neighborhoods; the costs of financing and maintaining homes; and the character of the people who live in these homes.

TRUSTEE REPORTS:

All the Trustees thanked the Mayor and the Department Heads for the extraordinary work accomplished in the speedy clean-up after the storm and then the tornado.

Trustee Hrejsa: Plans are underway for our September 3, 2023 Family Day and the September 16, 2023 Pet Fest. Volunteers are needed.

Trustee Kapolnek: He especially appreciated the clean up at his house after the storms.

Trustee Torres: We were reminded of the Village-wide garage sale on July 29. Trustee Savopoulos obtained booklets from Mariana Spyropoulos of the Metropolitan Water Reclamation District on how our sewers work. It is also on our website. She appreciated the sirens going off warning to the tornado. The people who received damage were hit severely.

Trustee Milenkovic: The tree lottery applications will be accepted until August 4th. If you would like a tree on your parkway, you have to sign an agreement that you would take care of it for a certain period of time. There are four choices, Oak, Maple, Linden and Elm. The next Tree Board meeting has been postponed from July 20th until August 9th after the applications have been received.

Trustee Savopoulos: The Zoning Board meeting will be held on July 25th at 6:00 p.m. in the courtroom.

Trustee White: He reminded everyone that in times like this people will be knocking on your door wanting to do something for you. We do not allow solicitation without registering with the Village Hall and getting a permit. If you open your door and you are not sure about the people, call the police. The Mayor said, "If you didn't call them, don't open your door."

DEPARTMENT REPORTS:

Fire Chief Jeff Boyajian: We responded to twelve calls on the July 12th tornado between public works, Forest View and the Mayor that assisted us. He also thanked Cicero Combined Dispatch for a rapid notification and activating the outdoor sirens system. Not once, but twice as another tornado warning was issued as we were mobilizing. According to the National Weather Service we had three EF1 tornadoes in the area which constitutes 86 to 100 mph winds. There were ten EF0 tornadoes that

constituted 65 to 85 mph winds. He reminded people that the outdoor warning sirens are to alert people to get from the outside to the inside for safety. At that point you should listen to the news for additional information. In addition, we picked up our UTV from Bass Pro Shop.

Police Chief James Sassetti: The tornado was a joint effort. During the month of June Stickney Police Department responded to 1987 calls, it was 23% of the call volume that came into Cicero Consolidated Dispatch. We are consistent in our call volume month to month. He reminded residents that on Saturday, August 5, the police department will be holding an open house from 11:00 a.m. to 2:00 p.m. You can see all the upgrades we have made. Kids and adults are invited. Finally, we have been in communication with the Cook County Emergency Management Regional Security Department pursuant to the floods that occurred on July 2nd. As a result, the Mayor and the Board issued the resulting Disaster Declaration. We have collected data from residents that have sustained damage. We have used numerous social media resources to reach people. Everyone who has filed their information with us has had their information submitted to Cook County who is spearheading the progress to any resources that can be made available. There will be a community recovery resource center that will be open on Saturday, July 22, 11:00 a.m. to 3:00 p.m. it is located at the Cicero Public Safety Building, 5410 34th Street Cicero, IL 60804. We encourage our residents to go there. You need to keep following through.

Public Works Director Joe Lopez: A video of the sewers was presented. After the previous Board meeting, the Mayor went out with Public Works personnel to survey some of the sewers. They did talk to people. Some of the locations videoed were located at the houses of the people who had flooding. The sewers were all clean and had moving water. It was noted that the sewers are maintained every year. Our catch basins are maintained twice a year. The catch basins catch all the debris from our streets, leaves and branches. An incredibly detailed presentation was given over the workings of our combined sewer system. The Mayor enforced the fact that we did go out and inspect the sewers. If it is something small we can manage it. If it is something bigger we call the "big guys" to manage it. They will vac it out. We do not hide things. Deputy Public Works Director Sam Alonzo. He said that when the streets flood and the Water Reclamation is the only one that can open the locks to lower the water in the canal to flow into Lake Michigan. The strategy was given. He said that the water pressure was so high that they were replacing the main sewer covers because the force of the water was blowing them off. Joe Lopez added that we have combined sewers. That means it is used for all the rainwater and wastewater from your house. Sam Alonzo explained that a check valve on your sewer is designed to prevent the pressure of the water on the outside. When they were inspecting some of the houses that complained of water, they found that their back-up batteries were dead, or they did not have their standpipe in the sewer.

At this point, the Mayor asked for Public Comments.

MAYOR REPORT: The Mayor read a prepared statement summarizing and recognizing the following Department heads and leaders: "He, along with the Clerk and all the Trustees want to thank them and give them an honorable mention. When I was talking with our State Representative Elizabeth Hernandez and other State and County

Personnel, this group of united men and women went above and beyond to get things in order. The Chiefs, along with Public Works Foreman Sam Alonzo, Public Works Director Joe Lopez were getting the paperwork together as I was feeding it to them for this recovery. To get these forms out to help the people for this flood recovery. There are no guarantees from the Village of Stickney. It comes from the County and the State above us. We were gathering the information to do our best. To get people help and make people happy and going again. Just like our attorney said, 'We will have reduced fees or no fees.' If you have garbage. Call us up and we will pick it up. That is why we kept the garbage truck for things like this."

"This group of leaders was filling out paperwork. There was so much paperwork it could have taken them twelve hours to get this paperwork filed. We did not have this time. They, including Beth Lukas, spearheaded this paperwork and processed and organized this and got it done in a couple of hours. We promoted this paperwork using social media and Code Red to let all our residents know. Then, we got hit by the tornado. So again, they put together the recovery plan in place."

"On July 22, 2023, 11:00 a.m. to 3:00 p.m. there will be a Flood Recovery Resource meeting."

"I was out there at the tornado. I was out there with the flood and the sewers. I put on my work gear and joined in. The Fire Chief, Police Chief and Public Works Director worked together to have a plan to overseeing that people were safe and buildings were safe. We had a roof off a building on Harlem Avenue. There was an evacuation. What I saw was that everybody did their part and got it together. There were many people who responded that they were thankful for the help. "

"He acknowledged Administrative Assistant Beth Lukas who did all the paperwork and put up with all these guys. The Chiefs felt that she was amazing. Fire Chief Jeff Boyajian and Deputy Chief Omar Silvera came in from Dolton to lend a hand. Sam Alonzo and Doug Czech were in. Police Chief James Sasseti and his crew, along with Deputy Chief Figueroa and Deputy Chief Jerry Chlada were amazing with their paperwork and leadership. Public Works Director Joe Lopez was out there directing his men. Public Works Foreman Sam Alonzo was given an honorable mention too."

"These people were out there checking on people and getting things in order. Again, he thanked all these people. An honorable mention will be going in their files. There were no injuries."

Trustee Milenkovic moved, duly seconded by Trustee Savopoulos to remove the tabled item from the January 3, 2023 meeting to Convene to into executive session to review the minutes of meetings lawfully closed.

Upon the roll call, the following Trustee voted:

Ayes: Trustees White, Savopoulos, Milenkovic, Torres, Kapolnek and Hrejsa

The meeting was closed at 8:00 p.m.

The Mayor asked for a motion to return to open session at 8:21 p.m.

Mayor Walik declared the motion carried.

Trustee White moved, duly seconded by Trustee Savopoulos seconded to take the recommendations from our attorney in regard to the meeting minutes held on 10/15/19 and the remainder.

Prior to the vote, Village Attorney Jessica Fese explained that we keep closed the minutes that we discussed in closed session other than the 10/15/19 minutes that will be redacted.

Trustee White corrected his motion to say, "to accept the recommendation of the attorney on the meetings that we discussed in the meeting to keep closed and at the same time to release the meeting minutes from 10/15/19 redacted, seconded by Trustee Savopoulos.

Upon the roll call, the following Trustee voted:

The Board of Trustees of the Village of Stickney met in Executive Session on Tuesday, October 15, 2019, at 7:26 p.m. in the Stickney Village Conference Room, 6533 W. Pershing Road, Stickney, Cook County, Illinois.

The Mayor called the meeting to order.

The people in attendance were: Mayor Walik, Clerk McAdams and Village Attorney Mike DelGaldo, Trustees Hrejsa, Kapolnek, Milenkovic, Savopoulos, Torres and White; No non-members were at this meeting.

The clerk asked that all in attendance to turn off their phones. Phone activity can be considered a meeting within a meeting. All things heard are confidential. A reminder was given that it is unethical to disclose closed session activity.

The purpose of this meeting is to:

“Discussion regarding the semi-annual review of minutes of meetings lawfully closed under the Open Meetings Act, (Consideration of This Matter Held In Closed Meeting/Executive Session Pursuant to 5 ILCS 120/2 (C) (21) (2017).”

The clerk read the following: Tonight we are conducting our semi-annual review of the closed session minutes of the Village. Our last review was on March 19, 2019. At that time, we reviewed the closed session minutes and the Board determined that all of the closed session minutes should remain closed for various reasons. There has not been a change in facts or circumstances and after reviewing the minutes with counsel, we recommend that the only minutes that should be released are the March 19, 2019, closed session minutes; however, any statements from legal counsel should be redacted. I have copies of the unredacted and redacted minutes from the March 19, 2019 meeting minutes for your review. If you agree with these redactions, I will prepare a resolution to release these minutes, as redacted. The clerk asked if anyone wished to see the unredacted or redacted minutes from March 19, 2019. No one requested this opportunity. The clerk stated that the one that we will be reviewing in six months will be much easier to do because there will only be the minutes from this meeting. It will only require that it be redacted similar to what we are doing right now.

The Mayor thanked Attorney Tiffany Jaworski for putting this together.

Village Attorney Mike Del Galdo explained that the clerk will prepare a resolution. The vote will be to vote to direct the clerk to prepare a resolution consistent with the discussion of this session. The clerk informed them that Trustee Milenkovic will be reading that motion.

Mayor Walik adjourned the meeting at 7:29 p.m. No roll call was necessary.

Respectfully submitted,

Audrey McAdams, Clerk
