Police Chief Joe Kretch announced that they are taking bids for two black replacement squads. He reminded us that schools will be getting out in a couple of weeks and therefore he asked that we watch out for all the little kids.

Public Works Supervisor Joe Lopez informed us that water meters in a few front yards were recently replaced. The lawns are being repaired where they were disturbed.

Treasurer Kurt Kasnicka told us that the vehicle stickers and animal tags will go on sale June 1. The applications are being prepared for mailing at the end of this month.

#### AUDIENCE QUESTIONS:

Doris Helebrandt, 6528 41<sup>st</sup> Street, provided information about a car with a man inside parked near Edison School for two hours. She was informed that the police chief will look into the matter.

Bea Callahan, 4126 Grove, wanted to know the guidelines used for appointments to the Village Boards. She addressed, in particular, the Police Pension Board. President O'Reilly appoints qualified people to each board.

Alyce Vujtech, 3920 Wisconsin, asked about the street projects, including Wisconsin and Lorraine Terrace which are part of the "horseshoe" and if anyone came out to look at the conditions of her street and curbs. President O'Reilly informed her that we just submitted requests for state grants. The plans for her street just happened to be submitted to the state. If we receive the grant, she may have a new street.

Emily Tupy, 4038 Grove, read a prepared statement about the pruning that was done to her parkway tree. Joe Lopez responded that low branches endanger children. Ms. Tupy also questioned if there is a curfew for children. Police Chief Kretch said that the curfew is 10:30 Sunday to Thursday, and 11:30 p.m. on Friday and Saturday. This is strictly enforced. He

suggested that it is a parental issue. If she sees someone she needs to call the police. He said they do not have someone in the patrolling park full-time....especially late at night. She also mentioned a park light on the southeast corner of the park that is intermittent. She complained that the park is very dark. Trustee Mares stated that he would like to see better lighting in the park. In addition, Mrs. Tupy gave praise to Trustee Mares for the fine work he has done in the park, it is really looking good.

Karyn Downy of 40<sup>th</sup> and Grove said she sees Trustee Mares at the park all the time. In particular she mentioned that the way the bushes have been trimmed has made it safer for her to park her car. She also said that better lighting is needed. She hears people in the park in the dark. President O'Reilly told her that we are trying to get a grant for that.

There being no further business, Trustee Lazansky moved, duly seconded by Trustee Walik that the meeting be adjourned. Upon which the Board adopted the motion at 7:25 p.m.

Respectfully submitted,

---
