Prior to the vote, Mayor Walik informed us that these are for Red Light Cameras do to the high amount of accidents and trying to get traffic under control. This started at Cicero Avenue where we are trying to get new business over there. There are issues where the traffic is backed up and traffic accidents. We did a study and it was found that Cicero and Harlem were not too bad. On the survey it was found that Central Avenue had ten more accidents than Harlem and Cicero combined. They are still doing our study. We just have to get the ball rolling with this. It could take nine months down the road. We are trying to get our traffic safe for our residents.

Trustee White moved, duly seconded by Trustee Torres to approve Resolution 11-2018, "A Resolution Authorizing and Approving a Certain Agreement with Grate Signs, Inc. for the Village of Stickney"

Upon the roll call, the following Trustees voted:

Ayes: Trustee Hrejsa, Kapolnek, Milenkovic, Savopoulos, Torres and White

Nays: None

Absent: None

Mayor Walik declared the motion carried.

Prior to the vote Trustee White explained that this resolution concerns the electronic sign that we will be putting up in front of the Village Hall. Hopefully we will see it in six or eight weeks.

MAYOR'S REPORT: Mayor Walik mentioned that James Vasselli is the attorney filling in for Attorney Mike Del Galdo who is vacationing with his kids. The mayor welcomed back Trustee Savopoulos. He then thanked Trustee White for the work he did to get the new electronic sign for the village hall. We can program it from the inside of the building. All our events will be on there. There will be different features. It can scroll; have different speeds, colors and different options. It will be a nice addition out front to advertise our events. Public Works has started painting some of our fire hydrants pink. The sweepers will be out to sweep the alleys starting on Wednesday, June 27, weather permitting.

CLERKS REPORT Clerk McAdams advised the audience that there will be a fall newsletter. We are calling it a mini-newsletter with a lot of important information including Stickney Family Day.

TRUSTEE REPORTS: Trustee Hrejsa reminded people about Music in the Park. She provided the name of the band and the menu items to be prepared by the Stickney-Forest View Lions Club. She promoted the Music in the Park for the following week as well.

Trustee Kapolnek promoted the Stickney resident-only-shredding on August 25, in the area by the pavilion.

Trustee Torres informed us that there will be a Village-wide garage/yard sale on July 28 & 29, from 9:00 a.m. to 4:00 p.m. The people who will be having the garage sale will have a list of all the other locations participating with the sale throughout the Village. She was hoping to organize parking on the school parking lots and the clinic lot.

Trustee Milenkovic asked if anyone had an old flag that they would like to dispose of properly, the American Legion will accept them. People could drop them off for me at the Village Hall and he would deliver them to the American Legion. In addition, he informed us of a Troopathon on Friday, June 22, at 2:00 to 9:00. He described this as a telethon to collect items for the troops in Afghanistan.

Trustee Savopoulos thanked everyone for their well wishes. He has another appointment tomorrow with an oncologist. He then spoke about the 50/50 sidewalk program. No more applications will be taken after next Friday, June 29. Stop by the Village Hall and fill out an application.

Trustee White reminded people that at our July 3 meeting we will have Bob Streit from Illinois Energy Aggregation. Our current contract for electric expires on October 1. He will explain two different programs available.

DEPARTMENT REPORTS:

Fire Chief Boyajian told us that the Village was without power on the south end. A power line went down and actually welded itself to a chain link fence. A lengthy explanation was given of the sequence of events that took place, including breaking down the front door of the home because no one was home. They needed to be sure that there wasn't fire inside the home. It was one hour before ComEd showed up.

The Mayor reminded people that there are only eight days left to get your vehicle sticker.

Police Chief Dan Babich announced that over the last few days police calls are going up. Last Sunday he was helping out at an accident. At the time two four wheelers and a minibike came by and he almost t-boned one of our squads. They were driving down Pershing road at a fast rate of speed. The Chief asked people to call in if they see these people gassing up at the Shell. We heard about the Chiefs concerns over people cutting through the Village. The clerk brought up the excessive use of the alleys. The Chief felt that it is an attitude that people have toward each other.

There being no further business, Trustee White moved, duly seconded by Trustee Kapolnek that the meeting be adjourned. Upon which the Board adopted the motion at 7:23 p.m.

Respectfully submitted,

Clerk, Audrey McAdams
