A Special Session of the Board of Trustees of the Village of Stickney was called to order by President Daniel A. O'Reilly on Tuesday, July 3, 2012 at 6:30 P.M. for the purpose of a Public Hearing in the Stickney Village Hall, 6533 W. Pershing Road, Stickney, Illinois.

Upon the roll call, the following Trustees were present:
Trustees Morelli, Walik, White and Zeedyk
Absent: Trustees Horne and Schimel

The purpose of the Public Hearing was to present the "Proposed Annual General Appropriation for the Fiscal Year, beginning May 1, 2012 and ending April 30, 2013.

The Clerk read the official notice of the public hearing as published in the *Suburban Life* Publication on Wednesday, June 20, 2012.

The Clerk read the summary of the "Proposed Annual Budget and Appropriations Ordinance 2012-12 for the Fiscal Year, beginning May 1, 2012 and ending April 30, 2013.

Treasurer, Kurt Kasnicka, made a statement explaining the process of preparing the Appropriations Budget the same way as it has been in past years. He sat down with the Village President, Clerk and all of the department heads to develop the budget. They discuss what the different needs the departments have for the Village. We are all open to any suggestions and recommendations. Budget worksheets were created to come up with the numbers we have. There are different numbers for salaries, benefits and whatever backup to solidify the numbers. All numbers are realistic. Mr. Kasnicka went on to explain that budget hearing has been published in the *Life*. There has to be a hearing on it. And, at tonight's meeting at 7:00 the board will consider passing the budget ordinance. Other than that, I feel that the village is holding its own and we feel that it is a real good budget.

President O'Reilly stated that for the fourth year in a row we held the line in the General Fund with a 0% (no) increase. We are operating at the same budget amounts since 2007. This is the first time in the last 20 years on record that the Village held the line on an increase for four years in a row, without cutting services. Each department head addressed their immediate needs and future needs. All needs were covered through the budget and grant applications. The

Police Pension Fund has a .0% increase and the Bond & Interest Fund has a .45% increase. The overall effect is a .45% increase. This is less than 1%. President O'Reilly went on to explain that this was the cost of the re-issuance of the bonds.

None of the Trustee had comments.

There being no further business, Trustee Zeedyk moved, duly seconded by Trustee Morelli, that the meeting be adjourned. Upon which, said Board of Trustees adopted the motion unanimously at 6:45 p.m. and President O'Reilly declared the motion carried and the meeting adjourned.

Respectfully submitted,

Audrey McAdams
Village Clerk

I wish the best for everyone and thank you for allowing me the opportunity to serve the Village of Stickney.

CLERKS REPORT: A letter of gratitude was read from Caitlyn Stoeckley of the Muscular Dystrophy Association to Fire Chief Meyer. She wanted to applaud the Stickney Fire Department on their efforts to "Fill the Boot". She gave praise to their superior's leadership and how well the men are motivated even after taking calls and facing the awful heat of the day. Their support means the world to them.

DEPARTMENT REPORTS:

Fire Chief Larry Meyer was not at the meeting but President O'Reilly remarked on how he was at the firehouse on Monday evening during the power outage. He informed us that it was Deputy Fire Chief Dan Kuffell's crew that evacuated the convalescent home during the power outage by taking them to their other facility. President O'Reilly saw that there is a need to have some wiring done in the firehouse. Their generator is big enough to hold all the power that they draw but they didn't wire in the air conditioner. Here we ask the firemen to go out in this heat but we don't provide cooling for them upon their return to the firehouse to get ready for their next call.

Deputy Fire Chief Dan Kuffell reported on the events of the previous day. An electrical wire went down and caught a house on fire when the wire came in contact with the metal of aluminum sided house. At the same time an electrical wire started a fire in a yard with a pool. During all of this, another incident took place when a woman swimming in her pool heard the crack of a wire breaking and hitting the ground. She got out of her pool and walked over to her fence. When she touched the fence, she was electrocuted. She was in full arrest. They revived her and took her to the hospital. As of this afternoon, she was sitting up and talking. He suggested people be alert. In addition, a recommendation was made that even young people need to stay hydrated during this excessive heat. He suggested that people stay inside. He recalled that over 600 people died during a previous heat wave.

Deputy Police Chief Frank Figueroa informed people that our newest probationary police officer, Ashley Sinkewich was sworn this morning. She is 23 years old and graduated last year from Western Illinois University with a Bachelors of Science Degree in Criminal Justice. She was applying at various locations for the last year. The Illinois State Police also was strongly interested in her and she chose us instead. She starts the police academy on July 9. Ashley is now the second woman on the force. Deputy Chief Figueroa then introduced Sean Poindexter to the audience. Sean graduated with Maria Guzman from the Suburban Law Enforcement Academy on June 22, 2012. While in the academy Sean received a prestigious award for fitness and leadership. Sean and Maria are welcome additions. He is currently in the 15-week training and evaluation program. Sean is working with his first Field Training Officer Corporal Cruz Ortiz. There are three different phases with three different officers. The first phase workload is 20%. It then advances to 30%. Then 30% to 50%. By the end of the 15 weeks he will be doing 100% of the workload. Sean will be rotated back to Corporal Ortiz in October when Sean will be observed for his final review.

Additional information was provided by Deputy Chief Figueroa about a training system that will be delivered next Tuesday. This is a training tool that is being made available to us via the Northeast Multi Regional Training Institute. This is a Meggitt XVT Training System. Trustee Walik and he went down to McCormick Place to test the device last February at the International Association Chief of Police Expo. They tested out the fully interactive scenario based 20 x 20 foot screen with live handguns. The system will be available to us for two weeks for free because we are members of the Northeast Multi Regional Training Institute. Normally this system costs \$15,000 to \$20,000. The only requirement was that we have at least one of our employees trained on the unit. We actually have two, Sergeant Wiseman and Officer Lochridge who are range officers and went through the training last August. It took us eleven months to finally get this unit. All our full-time and auxiliary officers will go through the training. It is a valuable training tool.

Public Works Supervisor Cody Mares announced that we have our first adopt a flower garden at Haley Park. It isn't doing so well due to the heat and the older soil. It was adopted by Faith Community Church. He has been watering it every day. Next year we will try to do it better with new soil.

A lot of calls are coming in concerning the Nicor landscaping. The straw and seed will hold the water longer. If your grass doesn't make it to fall, Nicor will replace it. If you

are concerned about the cost of water, you can bring in last year's water bill for June or July and if this year's bill is \$50 more, they will reimburse you for that also. If you miss watering for just one day with the sod, you will lose it. He also addressed the newly planted trees. He asked that people water them. Supervisor Mares also addressed the recycling container that is on display in the lobby. It cost the village \$50 but the cost to a resident is \$25. There is a list available if you are interested.

Treasurer Kurt Kasnicka reminded us that the Village Hall will be closed on July 4, for Independence Day. All pickups will be postponed one day. Vehicle sticker sales now have a late fee. It was suggested that people get their stickers before they get a ticket. He provided us with the fact that 50% of the sticker money came in during the last week. It was very busy here.

Supervisor Mares injected that street sweeping will be on the normally assigned days.

There being no further business, Trustee Zeedyk moved, duly seconded by Trustee Walik that the meeting be adjourned. Upon which the Board adopted the motion at 7:25 p.m.

Respectfully submitted,

Audrey McAdams, Village Clerk
