Upon the roll call, the following Trustees were present:

Trustee White moved, duly seconded by Trustee Savopoulos that the bills, approved by the various committees of the Board, be approved for payment, and to approve warrants which authorize the Village Treasurer to draw checks to pay the bills, to be signed by the authorized signers, as provided for by the Ordinances of the Village of Stickney.

Upon the roll call, the following Trustees voted:
Ayes: Trustee Hrejsa, Kapolnek, Milenkovic, Savopoulos, Torres and White
Absent: None
Nays: None
Mayor Walik declared the motion carried.

MAYOR'S REPORT: We were told that Trustee Torres, a couple of other Trustees and himself will be upgrading some ordinances in the near future.

CLERK'S REPORT: The clerk provided information from the Illinois Environmental Protection Agency concerning Waste Management. Resources were given on the upcoming early voting schedule and locations.

The Mayor added in that he received a thank you letter from Father Castillo of Saint Pius X Church. The Father showed his appreciation to Stickney Public Works for clearing sections of their parking lot making more space available for parishioners.

Trustee White: The Trustee asked the Clerk to add to the March 16, 2021 agenda information pertaining to our Electric Aggregation people. He would like to present what they will be able to offer us for our next round on our contract. It will be for discussion and a possible vote. He didn't have all the particulars currently. If he thinks that the Aggregation people need to be here to explain it to us, they will be here. The Trustee would like it on the agenda, so we are prepared for it.

Trustee Torres: She mentioned that additional early voting information was available in the Stickney Township newsletter.

The Mayor mentioned during the Public Works portion of the meeting that the street sweeper was out on Pershing Road to clean the streets after the heavy snow.

The Mayor added that we will probably do one more Zoom meeting on the 16th. Trustee White said that we would plan to open the Village closer to April 1. It hasn't been set in stone. We are unsure about opening on March 15th because of the weather and Covid.

There being no further business, Trustee White. moved, duly seconded by Trustee Savopoulos that the meeting be adjourned. Upon which the Board adopted the motion at 7:10 p.m.
