Mayor Walik declared the motion carried.**

Mayor Walik introduced representatives from Commonwealth Edison, Tiffany Ingram and Angel Perez for a presentation. The Mayor explained that Tiffany is our new representative. She has called the Mayor prior to the Polar Vortex to inform him that there will be extra crews on duty and in our area. She called on Sunday to find out if we had any issues. Tiffany explained that the Village of Stickney has secured 74 street lights and then presented the Village of Stickney with a check for \$11,160.80. These new lights will result in over 66,000 kilowatts saved. She praised the Village for taking advantage of the incentive that was available. A plaque was presented to the Mayor.

At this point, Mayor Walik asked that our newest Police Officer Roberto Santos to come forward to take his Oath of Office.

Deputy Chief Rich Jaczak addressed the audience with the following for special presentations:

"On January 5, 2019 a victim had her purse stolen at a local business in the Village of Stickney. A suspect was quickly identified with the help of witnesses; however, locating the offender became a complex task. Detective Sergeant Crus Ortiz, Jr. worked with numerous other law enforcement agencies to determine locations where the offender may be found."

"Sergeant Ortiz obtained an arrest warrant for the offender and coordinated extensively with the Kankakee County Sheriff's Office to take her into custody after she attended an unrelated court hearing. Officers were then able to obtain a full confession from the offender."

Sergeant Ortiz was given an Honorable Mention for his efforts to make an arrest.

Deputy Chief Jaczak also mentioned the exceptional act by Corporal Kozelka, Corporal Lochridge and Officer Maria Guzman when they came across an unresponsive individual. They administered CPR and Narcan and brought the individual back. Awards were previously given to them.

"On January 1, 2019 the Stickney Police and Fire Departments responded to a report of a house fire on the 6500 block of 41st Street. Officer Pedro Garcia arrived on the scene and observed black smoke coming from the house. He then saw one of the residents run back into the house. Officer Garcia called out to the resident several times but did not get a response. The resident was then seen emerging from the kitchen area and then collapsed onto the living room floor."

"Officer Garcia then entered the house and dragged the resident out to safety where he could receive medical attention."

"I am requesting that Officer Garcia be given a Department Commendation for his actions during this event. Sergeant Figueroa was also present. The Medal of Valor was given to Officer Garcia. This is the second one given to this department. The first one was given to Officer Ramski."

The Mayor mentioned that in his twenty years in law enforcement neither he nor his partners had an opportunity to save somebody. Mayor Tabor gave out a lifesaving award during his time. He thanked his officers, ComEd and audience for coming out.

CLERK'S REPORT: The Clerk read a notice from the Illinois Environmental Protection Agency concerning the McCook Transfer Station.

TRUSTEE REPORTS: All the Trustees gave congratulations to our newest police officer.

Trustee Hrejsa notified us that the Parks and Recreation Committee will be meeting soon to plan for the Easter event. The trustee gave praise to our police, fire and public works departments over the extreme weather.

Trustee Kapolnek informed the audience that there will be a senior and disabled care program in the Village. It will include lawn mowing and snow shoveling. It will be in the newsletter. People have to come in to fill out the application. There will be 40 spots available. The Mayor added in that people will have to include a doctor's note.

Trustee Torres thanked the police, fire and public works for doing a fine job during the extreme weather. She congratulated the individuals from the Police Department that received awards.

Trustee Milenkovic attended the Midway Noise Compatibility Commission on January 24th at the Mayfield facility on Archer. There were no noise complaints from Stickney on the airport. Our monitor is located at 4308 Wenonah. The noise level for the 4th quarter of 2018 was 18 decibels which was 3.8 decibels less than the 4th quarter of 2017. Trustee Milenkovic thanked Trustee Kapolnek for joining him at this meeting. In addition, Trustee Milenkovic gave us the salt usage report for January. There was 188 tons of road salt used. We were reminded that Monday, February 18 is President's Day and therefore the Village Hall will be closed. Services will be delayed by one day.

Trustee Savopoulos thanked our first responders.

Trustee White welcomed aboard our new police officer. He mentioned the elite in our Police Department. He considered Officer Mark Kozelka as elite. Trustee White added that he would like Officer Kozelka to be the one to come to his assistance if ever he needed someone to give CPR. We have the right people in charge to help us through this weather.

DEPARTMENT REPORTS:

Fire Chief Jeff Boyajian informed us that they fought a fire at the race track during 20 degree weather. A total of three apartments were lost to fire or water damage. The guys did a good job. The Mayor added that the fire department and Officer Kozelka gave life-saving assistance to his own neighbor.

Chief Dan Babich thanked the Village Board now that they are fully staffed at 18 police officers. The time line of schedules was given to bring the new officers into the schedules.

Deputy Police Chief Rich Jaczak thanked the Police and Fire Commissioners who were at the meeting. He mentioned that the last four officers that were hired were vetted by this commission. The Deputy then presented the following:

Fire Chief Jeff Boyajian announced that Captain Tom Heller, who oversaw the Fire Prevention Bureau, retired. He will continue as the Fire Chief in Forest View.

Public Works Supervisor Joe Lopez informed us that the street sweeper was out this week. The Public Works employees worked diligently for the last two days.
