PRESIDENT'S REPORT: We learned that Phase 6 of the street repaving should get underway by early August. It shouldn't take very long. It is two blocks of Kenilworth, part of 41st Street that wasn't covered, and that bad section of 40th between Home and Harlem. And, the water tower should also be in the next month and should take about a month to do.

Trustee Zeedyk provided the Stickney Police Department activity report for the month of June, 2012: The total number of calls for service: 1,867, Total number of E911 calls received: 481, Arrest by type: Traffic: 148, Village Ordinance Offences: 53, Warrants and Complaints: 9, Parking violations: 234, Total number of arrests/citations issued: 444, Total number of squad miles: 19,278, Total amount of gasoline used: 1,216, Average gas mileage/squad: 15.8536 mpg

Ordinance Control June 2012: Ordinance Investigations: 627, Business License Investigations: 3, Violations Notices Issued: 32, Miscellaneous Details: 152, Stickney Local Ordinances: 2, Parking Citations Issued: 177

DEPARTMENT REPORTS:

Fire Chief Larry Meyer informed us that they had a successful "Fill the Boot" campaign. There was \$10,707.00 collected for the Muscular Dystrophy Association. Cicero held their All American Fest recently. Our department was involved in the water barrel competition where the water spray from a fire hose pushes a barrel back and forth on a cable. It takes a little bit of skill in hose handling practice. We won the competition and a silver trophy was awarded. Heat related problems were reported. A house collapsed in Maywood and another one in Melrose Park due to cracking dry ground and cracks in the walls. We are also having dry grass fires. The front lawn of a house on 43rd Street caught fire due to a lit cigarette. On July 4, a fire was caused by fireworks. If your yard catches on fire use your garden hose before the fire department gets there. There was a house in Stream Wood where a yard caught

on fire and spread to a fence then onto the house. He provided us with a reminder that our firefighters work under over-heating-conditions with this extreme heat when they are fighting fires.

There being no further business, Trustee Zeedyk moved, duly seconded by Trustee Walik that the meeting be adjourned. Upon which the Board adopted the motion at 7:27 p.m.

Respectfully submitted,

Audrey McAdams, Village Clerk

Re: **1.0 MG Torosphere Elevated Tank Painting**

Madam & Gentlemen:

Enclosed please find a copy of the "Tabulation of Bids" for the bids that were received and opened for the above-captioned project on Tuesday, July 17th at 7:00 p.m. Four (4) bids were received and verified, with no errors being found.

The low bidder was Am-Coat Painting, submitting a bid in the amount of \$549,440.00, which was \$77,560.00 (or 12.37%) under the Engineer's Estimate of \$627,000.00.

Therefore, we recommend that this Contract is awarded to **Am-Coat Painting, 17201 S. Parker Road, Homer Glen, IL 60491**, in the amount of **\$549,440.00**, based on their low bid proposal.

If you should have any questions regarding this project please contact me.
