Re: **IDOT MFT Section Review**

Mesdames & Gentlemen:

IDOT is currently performing a review of the Village MFT Sections for the 2011-2021 period as per the attached Section Review summary. We have completed all the requested IDOT Bureau of Local Road (BLR) forms as shown on this summary including the MFT Resolutions for Improvement for the following Sections:

<u>MFT Section #</u>	<u>Description</u>	<u>Amount</u>
09-00054-00-RS	Ridgeland Avenue Resurfacing	\$124,884.85
16-00058-00-RS	East Avenue Resurfacing	\$33,668.59
19-00060-00-RS	2019 Street Resurfacing	\$16,113.12
18-00000-00-GM	Rock Salt Purchase	\$6,444.00

The above MFT Resolutions are required to be approved by the Village Board to balance the initial MFT Resolution appropriation shortfall with the final project costs. Approval of these MFT Resolutions will not require any new expenditures by the Village, as these projects have been paid in full previously, and are closed-out.

Therefore, please find attached two (2) copies of a "Resolution for Improvement by Municipality (BLR 09111)" form for each of the above MFT Sections for Village Board review and approval. If these documents meet with your approval, please have them executed by the Village Clerk, as indicated, and return them to our office for further processing with IDOT.

Please contact me if you should need any additional information regarding this matter.

Sincerely,

Timothy P. Geary, P.E.

STICKNEY SECTION REVIEW

FORMS COMPLETED

OCTOBER 2022

** The Department's Office of Chief Council (OCC) has confirmed by law, prior approval shall be received for expenditure of all MFT funds. Failure to obtain approval prior to expending MFT funds may result in deficiencies and the Local Agency may be required to reimburse the MFT Account.

** If the Village chooses not to execute and submit the below requested BLR forms, the Village must reimburse the Village's MFT Account for any monies not properly authorized (deficiencies) and provide written notice when the reimbursement is complete.
