

A faded background image showing various industrial components, including what appears to be a large engine or generator, a control panel, and other mechanical parts.

Planned Equipment Maintenance Proposal to VILLAGE OF STICKNEY

JB

02-06-50480

Water - Annual maint
water tower.

To the attention of: VILLAGE OF STICKNEY

Cummins provides best in class products and related services worldwide with the highest quality in the industry. We service more than Cummins engines and generators, and we're pleased to offer you the following planned equipment maintenance proposal.

Cummins Available Planned Maintenance Services:

Cummins offers the following services - based on your selected packages these may or may not be included:

System Inspections: Batteries, controls, fuel systems, cooling systems, intake and exhaust systems, controls and accessories, aftertreatment basic run testing included in all Inspection Services.

Oil & Coolant Analysis: Sampling, included in all Inspection + Services, provides an overall snapshot of the equipment condition.

Planned Maintenance: Clean filters and oil changes included in Full Service keeps your product ready to run.

Load Bank Testing: Prevents wet stacking in diesel engines. In all units load bank testing applies controlled load to the equipment to test for proper operation providing peace of mind.

Transfer Switch & Switchgear: Cummins takes care of your whole system.

Cummins Branded Parts: Maintenance always includes Cummins Genuine Parts where applicable.

Warranty: Best-in-Industry warranty is always included, with a variety of extended warranty options available on Cummins equipment.

Digital Monitoring: Cummins Acumen is a best in class remote monitoring solution for your products to ensure availability and minimize unexpected costs.

Additional Available Services: Winterization, oil extension programs, training and more can all be customized to your needs.

For additional information regarding Cummins available products and services, please contact your Sales Representative.

Pricing for Services:

This 5 year proposal has been customized for your equipment and operations as described here:
