Manufacturer Information

Elgin sweepers have been cleaning roadways since 1914, and while products have grown and improved, the commitment to quality and performance the company was founded on has not changed.

Clean streets improve water quality, air quality, and overall community health and help prevent water pollution. Elgin founder, John Murphy, recognized the health hazards caused by streets filled with filth and debris, and created the very first street sweeper. The sweepers we produce today aren't just any sweeper — they are the toughest, and most rugged sweepers on the market.

Elgin equipment utilizes all variations of today's sweeping technology — mechanical, pure vacuum sweepers, regenerative air, alternative fuel, waterless dust control — and now a single-engine technology — to offer customers the sweeper that matches their needs. From general street maintenance to special industrial and airport applications, Elgin puts its customers in the sweeper that best meets their needs.

Elgin Pelican-NP

The Elgin® Pelican® broom sweeper is a three-wheel mechanical sweeper based on one of the original street sweeper designs, which has been continuously improved since 1914, meeting the highest sweeper standards. Maneuverability, visibility, economy, serviceability, and single lane dumping with a sweep system that easily handles heavy compacted dirt and bulky debris are all features of the Elgin Pelican. An isolation-mounted cab provides a cleaner, quieter operation, and the improved 360-degree visibility and easier access for service and maintenance make the Elgin Pelican an industry leader in road sweepers.

The Pelican is also available with Elgin's innovative waterless dust control feature; allowing year-round sweeping, sweeping with water conservation, and eliminates the use of water on reactive compounds like Portland cement.

Why Pelican?

- Market leader offering 360 degrees of operator visibility
- Rear steer for outstanding maneuverability
- Front mounted, variable high dump 3.6 yd³ (2.8 m³) hopper

6. **DEFAULT.** If the Purchaser defaults in compliance with any term or condition of this Agreement, or defaults in payment of any installment of the Purchase Price or any applicable taxes or charges relating to the Equipment, or uses the Equipment for an illegal purpose, or if levy is made upon the Equipment, or if any bankruptcy, receivership, winding-up or insolvency proceedings are instituted by or against the Purchaser, or if at any time JJE deems itself insecure in respect of the foregoing then and in any such events the entire balance of the Purchase Price and all notes given therefore together with all expenses, costs and solicitors fees incurred by JJE in the collection of the Purchase Price shall become immediately due and payable on account of the Purchase Price shall remain the property of JJE as payment for the use and depreciation of the Equipment and not as a penalty.
7. **REPOSSESSION AND REMEDIES.** Subject to the applicable laws:
 - a) JJE, in addition to all remedies available at law or hereunder, may take possession of the Equipment without notice or demand and without legal process and for the purpose of taking possession of and removing the Equipment JJE or its assigns or agents may enter onto or upon the Purchaser's lands and premises using such forces as is necessary in the circumstances. The Purchaser hereby waives all claims for damages arising out of the re-possession, removal or re-sale of the Equipment as against the Purchaser or Purchaser's assigns.
 - b) If the Equipment comes into possession of JJE through the re-possession, voluntary surrender thereof by the Purchaser or otherwise, JJE may at its option sell the Equipment for its own account or may re-sell the Equipment on behalf of the Purchaser either at a public or private sale in such manner and for such amount and upon such terms as JJE may deem proper with or without notice, and prior to any sale JJE may house or store the Equipment and repair or re-condition the same, and JJE may bid and purchase on any sale. 8. **LIABILITY AND INDEMNIFICATION.** JJE shall not be held liable or responsible for any damages, whether on account of personal injuries or otherwise suffered or sustained in the operation of the Equipment, nor for any damages resulting to Purchaser by reason of any delays or any alleged failure of the Equipment to operate. 11. **DISCLAIMER.** Except as may be expressly set out in the Description of Equipment term of this Agreement there are no expressed or implied warranties on the part of JJE as to the quality, merchantability, capability or fitness for a particular purpose of the equipment which is the subject of this agreement.
12. **INTEREST.** Interest on any overdue payment shall be at the rate of eighteen (%) percent per annum, without prejudice to any other conditions of this Agreement.
13. **INSURANCE.** The Purchaser hereby undertakes to keep the Equipment fully insured against loss by reason of accident, fire, theft and all other risks to an amount not less than the amount owed to JJE, such insurance being payable to JJE, until the Purchase Price of the Equipment together with all interest and costs which may have been incurred, have been paid. The Purchaser undertakes to supply evidence of such insurance satisfactory to JJE upon demand. If the Purchaser does not place such insurance on the Equipment, JJE shall have the right to affect such insurance at the expense of the Purchaser, who hereby undertakes to pay the premium for the same.
