

The Stickney Times

SUMMER
2026

**My name is
Mitch Milenkovic**

I am the new mayor of the Village of Stickney. I was appointed to the position by the Village Board of Trustees at the May 29th Village Board Meeting. It is with mixed emotions that I accept this position. Sadly, we lost our great Mayor Jeff Walik recently. I know I have some big shoes to fill. He was a fantastic Mayor and a great man. I became friends with Jeff shortly after I purchased my home here in Stickney in 1988. Previously I was Village Clerk for a little over one year. Prior to that I was a Village

Trustee for ten years. Prior to that I served on the District Board for four years, completing my term as Vice-President. I raised three wonderful children here. I attended Morton West High School and attained two associate's degrees from Morton College. I remain committed to Mayor Jeff Walik's vision of keeping Stickney a great and safe place to live.

I would like to introduce you to our new Village Clerk Candace Cetrangolo.

**My name is
Candace Cetrangolo**

I am the new clerk for the Village of Stickney. I was appointed by the mayor with unanimous advice and consent of the Village Board of Trustees at the June 16, 2026, board meeting. I am currently the Vice-President of the Stickney Forest-View Library Board. I will continue in that role as there is no conflict of office since the village clerk is a non-voting member of the village board. I am a member of the Stickney Police Association and a member of St. Pius X parish. I have lived in the

Village for over 20 years, raising three wonderful children here with my spouse, Tim. I coached Little League for many years and volunteered for many village events, my favorite being Family Day. I look forward to this new position and to serving the residents of the Village of Stickney.
